

**TOWN OF LIVERMORE, MAINE**  
**Application for Driveway Entrance**

**NOTICE:** The town is responsible for maintaining only 1 driveway culvert/entrance per lot. If a 2<sup>nd</sup> entrance is requested, it requires approval from both the Highway Foreman and the Town Select Board. It is the responsibility of the lot owner to ensure that any and all requirements listed on this permit are met. It is also the responsibility of the landowner to ensure that driveways and culverts are installed using proper methods and materials, and that they are constructed with drainage that directs water away from public ways. The town reserves the right to inspect final work. Homeowners will be held responsible for work not completed to required specifications.
